RE: SMITH V. ALLSTATE, ET. AL.

CIVIL FILE NUMBER 27-CV-23-19463

Dear Judge Anderson,

I am in receipt of your order denying my request for waiver to appeal in forma pauperis.

Please be advised that when filling out the waiver form I made a mistake in selecting the block SSI which I thought at the time regarded my social security since it was the only block on the form close to such a selection. I advised the district court that my medical doctor Paul Anderson has filed on my behalf with Allstate and Hartford Insurance for me to receive disability benefits which has not been acted upon by defendants. It was this situation I was thinking about when I also selected the SSI block. But as I said nothing has occurred on this matter.

I further advised the district court that I have not formally applied for MSA but rather have the forms to apply for such program. Again all of this is new to me and I was not sure whether or not to answer that block since I was considering filling for this relief in the near future

In view of the foregoing I request the district court to re-consider my request for waiver to appeal in forma pauperis and issue an order accordingly.

I trust that you will acknowledge receipt of this correspondence at your earliest convenience. Thanking you in advance for your time and consideration in this matter of mutual concern.

Respectfully submitted,

Jerry Smith

v

Allstate Insurance, et al.**Order Denying Reconsideration of Denial of Fee Waiver in the Court of Appeals**

Minn. Stat. § 563.01 & Minn. R. App. P. 109

Order Denying Fee Waiver Request

The applicant filed a letter on December 12, 2024, in which he states that he has filed for disability benefits, but has not yet been approved for such benefits. Further, he also states he has "not formally applied for MSA" and therefore has not been found eligible. He asks the court to reconsider its decision denying the fee waiver, however, he gives the Court none of the additional information needed in order to make the findings necessary to find him eligible for a fee waiver. The applicant also filed a "Request for Order Granting Transcripts an [sic] Order to Appeal In Forma Pauperis" on December 17, 2024, but, again, the filing does not include the documentation needed in order for the Court to grant a fee waiver.

IT IS ORDERED THAT: The applicant's request for reconsideration is denied. If the most recent filings are a renewed application for a fee waiver in the Court of Appeals, the application must be **DENIED**.
